IHI LUBRICATING SYSTEM

AUTO GREASTAR

The small centralized lubrication system developed for vehicle and industrial machinery (High quality · Proper amount supply · Compact)

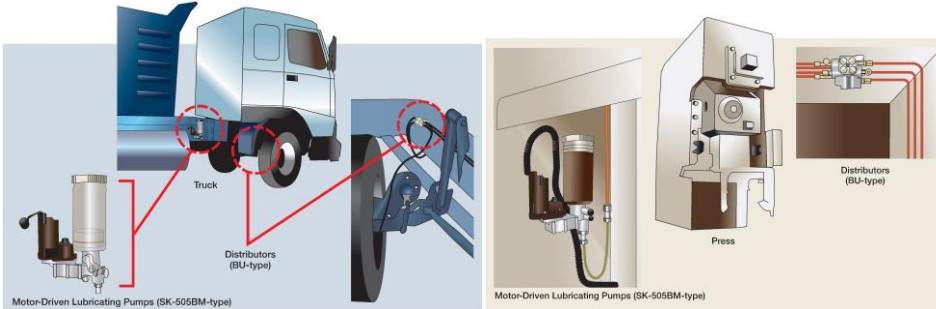

Pump (Motor driven · Air-operated · Manual)

Distributor

· Vehicle (truck)

· Industrial machinery (Pressing machine)

Field example to be the suitable

PRECISE DISPENSING SYSTEM

Supplying a fixed amount of lubricant with high accuracy without waste (High efficiency · Saving of lubricant)

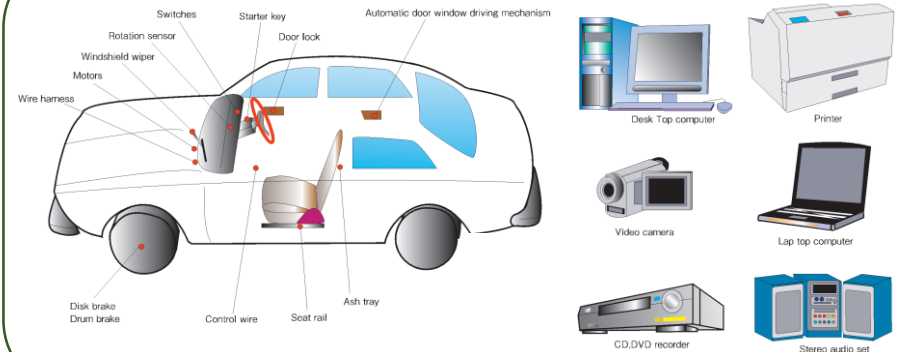

Pump (Air-operated)

Dispenser

· Automobile parts

· Electronics appliances, OA equipment

Field example to be the suitable

IHI Realize your dreams
